## 2024 Winter / Spring Programs at a Glance

January 16, 2024 Update

Architecture Sarasota is pleased to announce the programs for this season. In addition to favorites like the Iconic Home and North Siesta Key Kayak Tours and Yoga at the Umbrella House, we have a number of exciting new offerings.

### Modernism 102

Led by Architecture Sarasota's Scholar in Residence Dr. Christopher Wilson, Modernism 102 examines the development and history of modernist architecture from mid-20th century to today with domestic and international examples.

### Conservation Conversations

A series of presentations that explore the challenges and opportunities of documenting, preserving, and advocating for modern architecture heritage.

### Downtown Sarasota: Hindsight, Insight, and Foresight

Four renowned speakers offer their perspectives and lead an informed, constructive, and community-wide discussion about the future of downtown Sarasota.
